BAYEUX BESSIN, A QUALITY DESTINATION

The services of the tourist office are assessed on a regular basis; they meet the nationally benchmarked standards of the brand « **Qualité Tourisme** », which has been developed by the ministry in charge of tourism and the federation of tourist offices in France.

The tourist office has received the class I award – the highest distinction – by prefectural decree. Your opinion matters! Please visit <https://bayeux-bessin-tourisme.com/fr/destination-qualite>

To help in your selection, the Tourist Office of Bayeux Intercom has developed its own quality approach for B&B accommodations and cyclists-friendly establishments. Before you book, look out for the following award logos!
